

Appendix 3 – Research Timeline

Date	Event	Data Tool	Focus
August 2021	Beginning of school year mandated Introductory Training by Curriculum Associates Implementation of <i>Ready Mathematics</i> Curriculum to begin	Discourse questionnaire MTEBI (Enochs et al., 2000)	Baseline data on participants gathered
September 2021	Participants selected and interviews given Classroom Observation	Individual interviews Observation protocol	Baseline data gathered on the use of discourse Individual goal setting
September - December 2021	Bi-weekly PD (credit course) Teaching implement discourse in the classroom after PD sessions	Individual teacher journals Class discussion	

October 2021	Classroom Observation	Observation protocol	Data gathered on discourse use Individual experiences shared
	Individual interview	Interview protocol	
December 2021	End of PD data collection	MTEBI (Enochs et al., 2000) Discourse questionnaire	Impact of PD on beliefs and discourse implementation Thoughts on PD, use of discourse and impact on students
	Focus group interview	Focus Group protocol	
January - May 2022	Individual 1:1 support with participants	Observation Protocol	Data gathered on discourse use Individual experiences shared
	Classroom observation	Interview Protocol	
	Individual interview		

May 2022	Researcher Data analysis		
	Identified a need for further PD		
Summer 2022	Created a new PD plan for year 2		Data analyzed to identify and create new PD plan
August 2022	Participants selected and interviews given	Individual Interviews	Baseline data for yr 2 gathered on the use of discourse
	Classroom Observation	Observation Protocol MTEBI (Enochs et al., 2000)	Individual goal setting
		SBTS (Ross et al, 2003).	
September - December 2022	Bi-weekly PD (credit course)	Individual Teacher journals	PD plan will be flexible to meet learner needs
	Teaching implement discourse in the classroom after PD sessions	Class discussions for formative assessment of PD and teacher needs	

October 2022	Classroom Observation Individual interview	Observation Protocol	Data gathered on discourse used individual experiences shared
December 2022	End of semester data collection Focus group interview Classroom Observation	MTEBI (Enochs et al., 2000) SBTS (Ross et al, 2003).	Impact of PD on beliefs / teaching Thoughts on PD / discourse and impact on students
January - May 2023	Researcher data analysis Data shared with participants for reliability Work on dissertation final product
